Societas goes to Paris

On Friday 21st June 2024, Carmountside Primary went to 'Stoke City, Dome' and took part in an Inclusive Paralympic style events.

Before we visited the Dome, we passed the 'Societas Torch' from school to school and had to complete a certain distance around the school grounds.

We met up with all the other schools in the Societas trust and had a mega time.

We were all put into different groups and were given a country to represent. A procession of countries, their flags and National Anthems took place. This was lots of fun and we got to hear lots of different anthems from around the world.

It was great to mix with our Societas friends, playing games and having fun together with music playing too.

We took part in a range of activities from Sitting Volleyball to Archery. During the events we interviewed many people and here is what they had to say about the activities;

Sitting VolleyBall: *"There was a great atmosphere and everyone was trying their best." "Great team work. We had a go and it was fun!"*

Hand Ball: *"Everyone was playing fair" We asked Mr Gerard; Do you like teaching? He responded- "Yes I love teaching and seeing them smile."*

Bowls/Archery: This helps with peoples aim and precision. *"It was super fun and everyone's it."* Darcy wasn't sure where to aim and ended up using a teacher as here target (hehehe!) the target was on the walls, she did however, score 10 points.

Golf/Javelin: *"It was super competitive and I loved it and was super fun"*

Knock the cans: Even the RUGS got the chance to take part in the activities. We played RUGs v RUGS *"it was fun!"*

Target practice and Ring Toss: *"Everyone tried their best and were supportive of each other, having fun with other children from the trust schools."* Luke thought he could get a high score.

Everybody was involved, mixed well and supported each other making the whole experience thoroughly accessible and memorable for us all.
