The Societas Trust

Long Service Award Policy

1. INTRODUCTION

The Societas Trust recognises that the high standards and quality of educational provision is dependent upon the contribution, effort and loyalty of the staff it employs together with the Directors and Governors that serve on the Trust Board and Local Governing Boards of each individual school.

The Long Service Award provides an opportunity for the Societas Trust to demonstrate that the contribution and commitment that employees and Governors have made is highly valued. This policy applies to all staff employed by The Societas Trust together with the Governors who have served on the individual school/academy boards.

2. ROLES AND RESPONSIBILITIES

The Trust Board has agreed payment of a reward in recognition of service given to the individual schools within the Trust. They are responsible for approving this policy and the Local Governing Boards are responsible for overseeing the implementation of this policy in their academies.

The CEO and Headteachers are responsible for ensuring that staff are treated fairly and consistently in the application of this policy.

3. SCOPE

The Societas Trust is committed to promoting equality and diversity in its policies, procedures and guidelines ensuring that it meets the diverse needs of its workforce and stakeholders, ensuring that no individual or group is disadvantaged.

4. ELIGIBILITY

This policy applies to:

Employees who have accrued 25 years continuous public service within Local Government, other public sector organisations, or other Multi Academy Trust, with the last years being in the employment of The Societas Trust.

- Awards are made irrespective of whether the service is full or part time, temporary or permanent.
- Periods of maternity leave are counted as continuous service as long as the employee returns to work within the Trust.

Governors who have served on the Local Governing Board for a period of 25 years will also be eligible for a long service award

5. PROCEDURE

The School Business Manager will notify the Headteacher, Hub Manager and CEO of all employees and Governors who will meet the eligibility criteria on a yearly basis. They will complete a Long Service Request Form. (Appendix 1) This will normally be paid at the end of the academic year that they become eligible. These awards should be included in the Budgets of each academy.

Once an award has been approved at each individual academy, then a communication should be sent to the Hub Manager who will advise if there are other long service awards due across the Trust. Should there be several awards across the Trust, then a Trust event may be arranged. Alternatively, the award(s) and letter (Appendix 2) from the Trust/Headteacher will be presented by the Headteacher and /or CEO on behalf of the Trust at an individual school event at the end of the academic year.

6. THE LONG SERVICE AWARD

The award for 25 years' Service will consist of a Voucher to the value of £150 alongside a certificate, plus a flexi day (to be taken at the discretion of the Headteacher), and letter of recognition from the Headteacher and CEO on behalf of The Societas Trust.

Employees/Governors are not to receive any cash equivalent in order to avoid any questions relating to tax liability.

7. MONITORING AND REVIEW

This policy will be reviewed on an annual basis by the Trust Resources Committee.
