Fun adventure at Trentham gardens!!

On Thursday 13 of June 2024, Year 2 and two of the RUGS went to Trentham gardens to interact with other students in the Societas trust. All the children were very excited to go and the coach was very loud on the way there.

Our first activity was a sneaky go on The Flying Fox zipwire, on the way to disc golf. The children said they really enjoyed it. The frisbee skills were rather unusual as one child nearly got their Frisbee stuck in a tree.

Our second activity was The Barefoot Walk. There were spikey rocks, bark, stepping stones, smelly sloshy mud, bricks and sand. After we washed our feet (which took a while) we had 20 minutes in the park. One child even managed to conquer the rock wall all by himself for the first time.

After lunch we went to the maze where people got lost but our two RUGS beat it in record time they even gave the children a head start!!

After, we went to the Medusa statue to get our stickers and sticker books for the fairy trail where there was lots of confusion on where to go. Before home time our motivational speaker spoke about dreams.

After an exhausting day it was finally time to go home. The bus ride home was much quieter than the way there. One child said that their favourite part of the day was the maze whilst another said that their favourite was the Barefoot Walk. One thing's for sure – everyone had an amazing time and parents said that their children had talked excitedly about it for most of the night. They were very grateful to the Trust for giving the children the opportunity.
