TREMENDOUS Trentham Trip!

On Thursday 13th of June 2024, the Year 2 children went to Trentham to play and enjoy the activities on offer as part of their Year 2 Trust day. We went along to support and report on the events and as we had already been ourselves on the Year 4 Trust day, we had a good idea of what each activity would look like for the younger children.

When we hopped on what we thought was the right coach, the teachers announced that we had to go back and get onto the real coach, we had a laugh as we drove back to Ellison and onto the right coach. Mr Sterio and Mrs Dudley explained about the mix up and we arrived at Trentham ready to start our adventure!

When we arrived, the first thing we did was the Barefoot walk!

The children experienced different textures, like mud, stones and to everyone's relief- soft sand! The children loved feeling the different materials under their bare feet and it made quite a few of the children squeal with delight. As time flew by, the Year 2's played on the adventure park, exploring the swings and going down the slides! They enjoyed this a lot, climbing and running around – burning off lots of energy!

Then, we met a kind lady that gave us the maps to find the hidden fairies. This meant we had started on the Fairy trail around the park. The Year 2 children spotted lots of the fairies as they placed stickers on their maps to show they had found them! This was lots of fun and kept the children really focused on the task. By the time we had found a number of fairies, we were hungry and ready for our picnic lunch.

After lunch at the park, the pupils went for a walk up the hill to get to the Disc Golf and we met a friendly man who showed us how to throw it, this meant the children had to focus on their teamwork skills to help each other score. They were very good at it.

When our Year 2 group went to see the inspirational speaker, we went to Mrs Watson's group with another Year 2 student from our group to complete the Barefoot walk again. We didn't mind as it was lots of fun! After we got to the coach with Mr Sterio's group again, we talked about how much fun we had and returned back to Ellison. Thank you for letting us come to Trentham Gardens!
