YEAR 4 ATTEND EXCLUSIVE EVENT!

All Year 4 were invited to Trentham Gardens by the Societas Trust to engage in a range of activities and build new friendships. In this report, you will find out what made Wednesday the 24 of April an amazing day for the year 4 children!

After a chatty walk to Trentham Gardens, we were then met by a guide who directed us towards our first activity of the day, this was the Beaver Trail. Trentham Gardens is best known for their lovely gardens but is now working hard to reintroduce beavers to Britain. Beavers are native to North America and are very hard to spot! Although Year 4 did not see any beavers, they all enjoyed the walk around the lake.

Afterwards, we navigated our way around the Italian gardens to listen to Darren Edwards, our keynote speaker. He spoke to the Year 4 children about the journey of his life and how he became disabled. He spoke to us about how his inspiration was to become a Paralympian

and represent his country for canoeing. He inspired us all by teaching us his values and key words and asking us who our role models are. He taught us to never give up on our dreams and aspirations.

After our lunch we learned how to play disc golf and formed new teams to play with. Hidden in the adventurous woods we found nine metal hoops for us to score in. We had so much fun trying something new but this was a real challenge and nobody scored a hole in one!

To end our fun filled day we just had to play in the park and explore the barefoot trail...we had been waiting for this all day! The barefoot trail included rocks, sand, logs and lots of mud. Chloe in 4RG said that she enjoyed all of the day, especially the park. Gracie and Imogen, 4RG said that they enjoyed the park and the beaver trail the most. After a lot of peer pressure, Mr Broadhurst was talked into giving the barefoot trail a go. Despite getting very muddy, he really enjoyed it.

We hope you enjoyed reading our snap-shot of the day!
