Societas Trust Schools Enjoy Action-Packed Day at Trentham Gardens

On a sunny Wednesday 24th April 2024, pupils from Trust Schools embarked on an exciting day out at the renowned Trentham Gardens in North Staffordshire. The day was packed with various activities, and students were divided into groups, each tackling a different adventure.

One of the highlights of the day was meeting Darren Edwards, a true inspiration. Darren, who survived a fall while climbing Mount Everest, shared his incredible story. "Never let your circumstances define your limits," Darren encouraged the pupils. After spending ten months in the hospital and two more months learning to adjust to a wheelchair, Darren's determination and

The Barefoot Walk, Disc Gold and Adventure Playground

positive attitude left a lasting impression on everyone.

The pupils also enjoyed a magical fairy trail, armed with a sheet of paper and a pencil. They scoured the gardens in search of 21 fairies but managed to find 14. Some of the fairies they discovered were named Whimsy, Venus, and Spring.

After a hearty lunch, the students had fun playing on the zipline and exploring the Bearfoot Walk. One student, Amylee, exclaimed, "This is fun!" as she completed the Bearfoot Walk an impressive 18 times.

The adventure continued with the beaver trail. Students received booklets and pencils and embarked on a quest to find posts with pictures. By rubbing the booklets on the posts, they revealed hidden images, adding an element of surprise and delight to their journey.

The day was a tremendous success, filled with laughter, learning, and new experiences. A big thank you goes out to the Societas Trust for organizing such a memorable outing.
