Date 25<sup>th</sup> April

**BREAKING NEWS!**

**SOCIETAS TRUST HAVE A SUPER DAY OUT!**

**Is it possible to have this much fun on a school trip? Well, the Societas Trust did! On the 24<sup>th</sup> April, the schools who are part of the trust visited Trentham Gardens for a day full of activities, special talks and heaps of fun!**

---

**To start off the day, we met Darren Edwards, who is a brave and courageous disabled adventurer, he taught us the value of hard work and resilience. He started climbing mountains for fun as a hobby and his goal was to climb the highest mountain of all... Mount Everest! During one of his climbs, Darren devastatingly fell off the Mountain, leaving his life at risk. But, thanks to his best friend acting quickly, Darren was saved and taken to safety. Darren now challenges himself by completing different activities and challenges to inspire himself and others, 'don't doubt, don't compare, just believe' – Darren Edwards.**

**Following on from the inspiring talk from Darren, we headed over to the disc golf course. Disc golf includes throwing a disc (like a frisbee) into a chain hoop.**

**The aim of the game is to see who has got the best throw and who can get the disc into the hoop. Everyone enjoyed playing disc golf and had lots of fun. Although unfortunately, no one managed to get the disc into the hoop!**

**To end the morning, lunch was eaten sitting in the sun with a view of the Lake.**

**After a relaxing lunch in the sun, there was free time, which was spent playing in the huge playground Trentham has to offer!**

**Once free time had finished, it was time to explore the maze. Everyone was challenged to head into the maze and make it to the top of the hill and back again. One pupil told us, 'The maze was my favourite bit of the day because we played hide and seek'.**

**If Darren Edwards aim was to inspire us then this day certainly did.**
