

## THE SOCIETAS TRUST

### Trade Union Recognition and Facilities Agreement

December 2017

This agreement is binding in honour only and is not intended  
To create legal relations between the parties.  
The word 'Academies', used throughout, refers to all educational establishments  
which are part of THE SOCIETAS TRUST

## 1. Introduction

1.1 This Agreement between The Societas Trust (the Trust) and the signatory trade unions establishes machinery to consult and negotiate with staff through the recognised trade unions. The Trust recognises the joint unions as the body representing staff for the purposes of informing and consulting the workforce and for negotiation on the terms and conditions of employment for staff.

To enable the joint trades unions to effectively carry out their functions within this agreement the Trust commits to:

- i) Encourage new employees to join a trade union of their choice;
- ii) Notify the trade union representatives of new employees;
- iii) Encourage employees to become accredited trade union representatives;
- iv) Value the contribution of trade union representatives.

1.2 In accordance with the TUPE Regulations, trade union recognition rights for recognised trade unions are automatically transferred over when a maintained school becomes an Academy. This move to Academy status, means that there is a need to clarify the specific working arrangements between the Unions and the Trust particularly in respect of consultation and negotiation and facilities for union representatives. The terms of this Agreement provide that clarification and supersede all formal trade union recognition agreements and information practices which transferred under TUPE. All unions represented on the JCNC will undertake to consult and inform union officials, as appropriate, in all local authorities where current formal trade union recognition agreements exist as to any revised arrangements.

1.3 The parties undertake to negotiate constructively with a view to reaching joint agreements which are acceptable to their respective constituents wherever possible and the intention of all meetings will be to reach an agreement on the issue(s) under consideration.

1.4 The signatories to this Agreement share, as their guiding principle, the need to ensure an environment which promotes education of the highest quality. This Agreement is intended to promote and assist in the establishment of:

- Harmonious working relationships
- Jointly agreed pay and conditions of employment
- Good industrial relations and the fair treatment of staff
- Commitment to equality of opportunity
- Avoidance or resolution of disputes wherever possible
- The ability for academies to be managed in an effective and non-bureaucratic manner
- The effective use of funding
- The fair and proper application of TUPE and all other employment law
- Effective health and safety practices

- Effective communication to all staff
- The participation and involvement of all staff

1.5 The Trust recognises the trade unions' right to represent, protect and advance the interests of their members employed in each academy or directly by the Trust.

The trade unions recognise that it is the responsibility of the Trust and its academies to plan, organise and manage the delivery of high quality education to all its pupils.

Each Academy will be bound by the terms and conditions, and any other joint agreements reached at trust-wide level via the JCNC.

The Trust will continue to work constructively with local union representatives where issues are specifically about an individual in an Academy. The Trust will work with local union officials and/or officers when staff need representation etc.

It will employ Teachers on School Teachers Pay and Conditions alongside the 'Burgundy Book' terms of service and support staff on NJC derived 'Green Book' terms and conditions and commits to do so as long as those represent the best available and it is the desire of the Trust employees to retain them.

4.2 The parties undertake to negotiate constructively with a view to reaching joint agreements which are acceptable to their respective organisations wherever possible.

4.3. The following matters shall be the subject of consultation and/or negotiation between the recognised unions and the Trust:

## **5. Operation of the Agreement**

5.1 The operation of this Agreement will be reviewed every two years by both sides in order that consideration can be given to the need for any change in the light of experience.
