

Great Learning Opportunities and Outcomes for ALL!

Challenges

In this photo, this child is working out a challenge question. This helps students learning by helping you to learn more new things, having completed the work which has been set.

Why chosen?

- Concentrating and figuring it out
- If you find something hard you keep trying until you crack it

Great Learning Opportunities and Outcomes for ALL!

Power – Learning provides knowledge of all life around us – the knowledge gives us power to develop ourselves and others around us to improve the world around us all.

Why chosen?

- They look like they're curious and working together as a team

Great Learning Opportunities and Outcomes for ALL!

Lifelong – Learning never stops – we are always learning in class, outside of class and at home. Learning will never stop even into adult life- - even the teachers, like the children and like everyone around us learn something new every day. Learning will never stop.

Why chosen?

- It doesn't matter how old you are because you can always work together

Great Learning Opportunities and Outcomes for ALL!

We get involved in productions where we can build our confidence up and show off our acting skills.

Why chosen?

- They have confidence and it shows they are learning new things

Great Learning Opportunities and Outcomes for ALL!

Helping and caring for each other through nurture.

Why chosen?

- It shows they are learning because they are interested and concentrating

Great Learning Opportunities and Outcomes for ALL!

Why chosen?

- Parents have an interest in learning
- Caring
- Helping to make it easier
- Helping to achieve goals

Great Learning Opportunities and Outcomes for ALL!

EXPRESSING YOURSELF

Year Six End Of Year Production.

Why chosen?

- Confidence
- Talent
- Having fun
- Showing what you can do
- Overcome fear
- Entertaining others
- Find what you enjoy

Great Learning Opportunities and Outcomes for ALL!

Never give up!
Y4 pupil

Resilience

Always keep going until you reach your goals!
Y5 pupil

Why chosen?

- Inspire
- Become what you want in life
- Not everything is easy
- Never give up / Don't Stop

Ambition

Can we take a selfie of ourselves to show ambition?
It would show the opportunities we get from being
on the school council.

Why chosen?

- If you try you will reach what you want
- Teachers can help you to be what you want to be
- Shows what you can achieve

Interesting Things

This is Great Learning : they are learning about the human body by using child friendly ingredients. It is important that they learn about these things at a young age so that they can use them in later life.

Why chosen?

- A fun activity to help you to concentrate and remember
- Remember the fun things
- Makes you want to learn more

Great Learning Opportunities and Outcomes for ALL!

CURIOSITY

Some lessons make you think outside the box and want to know more about what you are learning about. Curiosity is fun and enjoyable because you get to have new experiences.

Why chosen?

- Being curious about what you are trying to make
- Asking questions and finding out
- Changing your future self
- Interesting activities help you concentrate

Great Learning Opportunities and Outcomes for ALL!

NEW SKILLS

Why chosen?

- Opportunity to experience new things
- Creating new things
- Gives you ideas to make new things practically at home
- Recycling and using the environment
