

THE SOCIETAS TRUST PRIVACY STATEMENT TO PARENTS AND PUPILS

The Societas Trust (the Trust) has updated Data Protection Procedures with the requirements of the General Data Protection Regulation (GDPR) which comes into force on 25th May 2018, replacing the Data Protection Act 1998. We have to provide you with details of what information we process, who processes the information, how it is stored, and for how long, who it will be shared with and your individual rights relating to the processing of your personal data.

The Societas Trust is the data controller of the personal information you provide to us for each of the following academies:

- Ash Green Primary Academy
- Ellison Primary Academy
- Gladstone Primary Academy
- Goldenhill Primary Academy
- Summerbank Primary Academy

The Trust and the academies therein determine the purposes for which, and the manner in which, any personal data relating to pupils and their families is to be processed.

Who processes your information?

In some cases, your data will be outsourced to a third party processor; however, this will only be done with your consent, unless the law requires the academy to share your data. Where the academy outsources data to a third party processor, the same GDPR standards that The Societas Trust upholds are imposed on the processor.

Mr Jon Lovatt, CEO, is also the Data Protection Officer for the Trust. His role is to oversee and monitor both the academies and Trust's data protection procedures, ensuring they are compliant with the GDPR. The Data Protection Officer can be contacted on 01782 613674 or info@societatrust.org.uk

For any initial concerns about the processing of your data, please contact the data processing representative at your child's / children's Academy – this is usually the Head Teacher.

Why do we collect and use your information?

The Societas Trust and the Academies therein hold the legal right to collect and use personal data relating to pupils and their families, and may also receive information regarding them from any previous schools or academies, the Local Education Authority (LEA) and/or the Department for Education (DfE). We collect and use personal data in order to meet legal requirements and legitimate interests set out in the GDPR and UK law, including those in relation to the following:

- Article 6 and Article 9 of the GDPR, for example the collection of data for the school census;
- Education Act 1996;
- Regulation 5 of The Education (Information About Individual Students) (England) Regulations 2013.

Which data is collected?

The categories of pupil information that the academy collects, holds and shares include the following:

- Personal information e.g. names, pupil numbers and addresses;
- Characteristics e.g. ethnicity, language, nationality, country of birth and free school meal eligibility;
- Attendance information e.g. number of absences and absence reasons;

- Behavioural information e.g. number of temporary exclusions.

Whilst the majority of the personal data you provide to the academy is mandatory, some is provided on a voluntary basis. When collecting data, the academy will inform you whether you are required to provide this data or if your consent is needed. Where consent is required, the academy will provide you with specific and explicit information with regards to the reasons the data is being collected and how the data will be used.

How long is your data stored for?

Personal data relating to pupils and their families at each of the academies with The Societas Trust is stored in line with the Trust's GDPR Data Protection Policy.

In accordance with the GDPR, the academy does not store personal data indefinitely; data is only stored for as long as is necessary to complete the task for which it was originally collected.

Will my information be shared?

The National Pupil Database (NPD) is managed by the DfE and contains information about pupils in Schools and Academies in England. The Societas Trust is required by law to provide information about our pupils to the DfE as part of statutory data collections, such as the school census; some of this information is then stored in the NPD. The DfE may share information about our pupils from the NPD with third parties who promote the education or wellbeing of children in England by:

- Conducting research or analysis;
- Producing statistics;
- Providing information, advice or guidance;
