Your governor email address is _____

Getting to Know Your Team

You are always welcome to visit any of our settings. If you want to arrange a time, then please feel free to initially contact the Trust/academy through email.

To begin with, we want to help you get to know the rest of the governing board, so soon after your appointment, the Chair will contact you to let you know when the next meeting is and what will be happening at it. For local governors, the headteacher will also arrange to give you a tour of the academy and introduce you to staff and children, as well as giving you copies of any relevant documents.

Meetings

Your governing board usually meets **once** a term.

Meetings are usually held at

There are the following committees:

- **Education**
- **Resources**
- **Other**

You will be invited to join a committee appropriate to your skill set at your first meeting.

There are also the following link roles:

- Safeguarding
- SEND/ Inclusion
- Data Protection
- Mental Health and Wellbeing
- Philosophy for Children
- **Pupil Premium**
- **Curriculum**
- **Other**

You will be invited to take on or shadow one of these roles appropriate to your skill set at your first meeting.

If you would like something to be discussed at a meeting, please discuss this with the Chair a couple of weeks before the meeting.

Papers are usually circulated at least seven days beforehand.

Please bring any relevant minutes and papers to the meeting and don't forget your diary.

As a member of our governing team, you also have gold membership of the NGA. Please contact the Trust/Academy for more details.

You will also be given login details for the National College for training purposes; again, please contact the Trust/Academy for more details.

Code of Conduct

By agreeing to serve as a governor, you also agree to abide by our Code of Conduct, which can be viewed below:

Policies and Procedures

All other Trust policies can be viewed on the Trust's website –

<https://www.societastrust.org.uk/policies-and-procedures/>

Any sections highlighted in yellow are setting specific. For the setting's own version please visit their website.

Training to do Immediately on Appointment

The following tutorials should be conducted immediately after your appointment:

<https://nationalcollege.com/webinars/new-kcsie-2023-safeguarding-primary>

<https://nationalcollege.com/courses/online-safety-for-governors-2023>

<https://nationalcollege.com/courses/data-protection-for-governors>

<https://nationalcollege.com/courses/safeguarding-for-governors-and-trustees>

<https://www.youtube.com/watch?v=pP2VKWSagE0>

You will also need your login details for the National College to do this. Please let your setting know if you need help logging on. Please also let your setting know when you have completed the training.

Skills Audit

On appointment, please complete the skills audit by following the link below:

<https://www.surveymonkey.co.uk/r/2X6CZ6K>

This information will then be used when compiling the Trust's training plan.

Ongoing Training

We encourage governors to participate in training. In addition to bespoke training provided by the Trust, we have also 'bought into' the National College on-line training portal for governors. We also have other training available through the NGA and

through Stoke Governor Services (SGS); please let the Trust/Academy know of any training you wish to attend.

Finding out more...

Please never be afraid to ask questions or for further information if not covered in this pack.

Abbreviations

There's a lot of jargon in education and although we try to avoid too much of it, some slips through. Please ask if you don't know what we're talking about! No question is too small or too silly!

And finally...

We are so pleased that you have joined our governance team. We hope that you will enjoy the experience and take the opportunity to become as involved as possible in the life of the Trust and its settings.

With my very warmest wishes,

Jon Lovatt

CEO, The Societas Trust
